SSA VESAK DAY VISIT TO SOCIETY FOR THE AGED SICK

On Monday 1 June 2015 (Vesak Day), 25 volunteers, left Sindhu House at 9.45am for their seva mission to the **Society for the Aged Sick** in Hougang.

The enthusiastic and energetic group of young and old volunteer participants spent their morning on this auspicious day to share joy and laughter by interacting with and serving the residents of the home. An impressive sum of **\$5,820** in cash contributions was collected from generous sponsors and kind-hearted well-wishers. The cash was utilized for essential food and personal items for the home residents, and making a cash donation to the home.

Upon arrival at the home, the volunteers got into action to pack approximately 400 goodie bags (containing body lotion, wafer biscuits and Milo packets). These goodie bags were then distributed to each resident of the home by the volunteers. As most of the residents were in their rooms, the volunteers went to each floor to individually meet, greet and give goodie bags directly to the residents. There were approximately 100 residents in the main hall who were presented with goodie bags, and they were entertained by the volunteers with a variety of songs co-ordinated by our Maya C Teckwani.

Seeing the smiles on the faces of the residents, and the appreciation of the permanent staff, brought much joy and fulfillment to the SSA volunteers and donors, for giving their time and commitment to a worthy cause. A special thanks and appreciation to all participants for visiting and spending time with the residents of the home, and to those who helped with packing of the goodie bags.

SSA thanks each and everyone for their participation, in whichever way, in this worthwhile charitable cause. We look forward to your continued participation in the future.
